Reminder for those families who were donating baked goods for this Saturday's Stall at the Riverstone Festival. Cakes can be dropped into the office on Friday., Thank you to all those families who have offered to bake or help man the Stall on Saturday your support is greatly appreciated.

Book Club

All book club orders are due back Thursday 12 May 2016

Mother's Day Thank you

It was lovely to see so many of our mums, grandmothers and special women in the students lives come and celebrate with us. Thank you to the wonderful mums who made our mother's day stall and mothers day celebrations possible and to the St Joseph's staff for providing the morning tea feast it was delicious.

Uniform

Due to the unpredictable weather transition into winter uniform has been extended until week 4

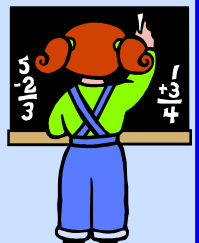

Second Hand Uniform Shop—Thick Winter Jackets available

Open Monday mornings 8.30-9.00am or contact Tina on 0417457417 we have plenty of stock and would be excellent as a spare uniform or one to place in your child's bag in case of an accident.

Next term students return in their winter uniform. Tina has in stock our thick winter jackets which you can order through the office and the jacket will be sent home with your child.

KINDERGARTEN 2017

We are now accepting Enrolment application forms for Kindergarten 2017. Interviews are being arranged for Term 2. If you have a child or know of a child who will be 5 or turning 5 by 31st July 2017 and the parents are interested in becoming part of the St Joseph's community, you can pick up an enrolment package from the school office.

NEED TO KNOW

ROADS AND TRAFFIC UPDATE

Dear Parents/Carers

You are most likely aware of the new subdivision being developed adjacent to St Joseph's. Yesterday I met with representatives from Craig and Rhodes and Western Earthmoving (WEM) with Mr Mark DeSylva, CEDP Facilities officer. The outcome of the meeting was to advise you of details of the development and changes that will be happening over the coming weeks on Alex Avenue, Schofields.

I am detailing the necessary information for your reference below:-

- WEM have scheduled the road works and truck comings and goings between the hours of 9.00 am to 2.00 pm.
- There will be a Traffic Controller on duty between 9.00 am to 2.30 pm to assist pedestrians.
- Footpath access will be limited between 9.00 am to 2.30 pm. The Traffic Controller will manage Pedestrian accessibility.
- Please be advised to follow the directions of the Traffic Controller for your safety.
- WEM have specific management protocols in place to ensure the site is safe by having dust control by way of water tanks and the air quality is regularly monitored.
- In approximately 2 weeks time, the footpath in front of the development site will be excavated to install utilities, therefore, it will not be accessible at all. A temporary crossing will be installed on the south side of the site and the traffic controller will support the crossing by directing pedestrians to use the crossing and walk along Alex Avenue to the official crossing in front of the school to access the school grounds.
- There will be 'no parking' signage in front of the development.
- If you have any questions or concerns please come and see me or email cbrown15@parra.catholic.edu.au

Western Earthmoving has provided a map illustrating the works for your reference.

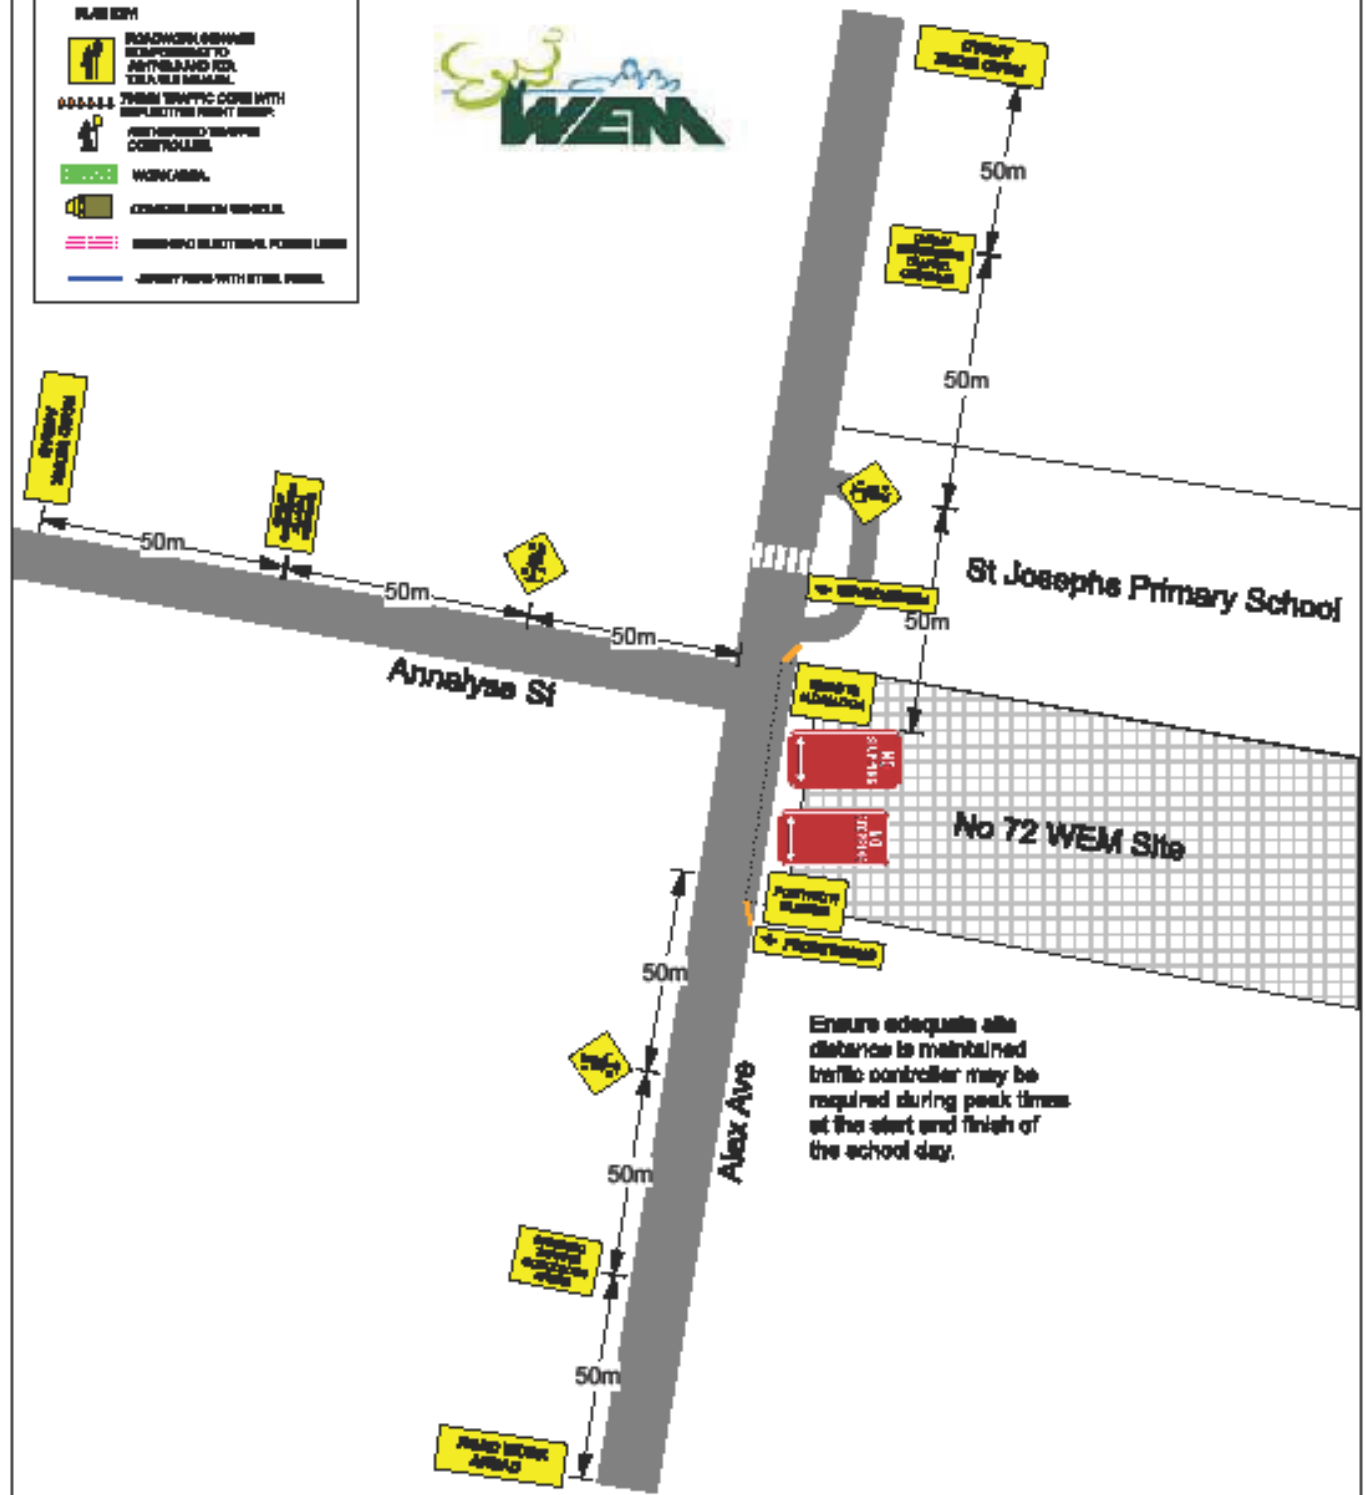

I wish to express my appreciation of your support to ensure all members of our school community are safe and supported during the coming weeks with the development of the residential site.

Kind regards

Cheryl Brown
