Please return your photo envelope prior to photo day

## School Library Bags

Library borrowing has begun again for the year. It is wonderful to see so many eager readers. All students are expected to use a library bag when borrowing our library books as it helps to protect them and makes them last a little longer.

If your child already has a library bag please send it with them on their library day. A cloth bag is fine.

Strong, water resistant library bags are also available from the office. They cost \$10.00 and come with the school logo on the front.
