1st June 2017

Dear Parents,

This term, Year 2 have been investigating push and pull and how an object moves or changes shapes in our science unit "Push and Pull".

We have organised an incursion by Fizzics Education that will give the students an additional understanding of how we use force to move things. This incursion will take place on Friday 9th June. The cost is covered by the excursion fee so there is nothing additional to pay.

Kind regards,

Denise Chircop and Anne Watson

Lesley Studans

Year 2 Teachers

Principal
